SPARTACUS:

We are very fortunate to have a local shop like Spartacus located at 12th and Burnside in downtown Portland (be sure to check out the new "swing"). Spatacus has supported us with 10% discount to RCDC members, let's show our support in return.

FYI:

Be aware of the new CALLER ID phone devices that allows users to see who and what number is calling before they answer the phone. You can call your phone company to automatically "block" your identity/phone number to these devices. Or you can "block" on a need basis before calling select/unknown phone numbers by dialing *67, wait for the new tone, then dial the phone number. The *67 before the dialed phone number will block any device from knowing who you are.
