(babblings, notes, rumors, & views from R)

RCDC members and regulars are empowered to greet "newbies" at tonights meeting.

Do random acts of kindness tonight.

RCDC has always had a strict policy of NEVER giving out ANY information to anyone requesting a phone number or other personal data about RCDC members. We have helped many people get in contact by a simple method; if you wish to contact a RCDC member, give us your phone number first to give to the person you wish to reach, and we try to pass the information on. RCDC recommends this policy in your own personal dealings too.

NORTHWEST GENDER ALLIANCE (NWGA) Box 4928, Portland, Oregon 97208, is a local based support club for crossdressing and transsexuals. They hold monthly meetings and events (newsletter available to NWGA members only). NWGA members sound like wonderful folks that also have other alternative interests worth checking out. Send a business sized SASE or call Reisa at 646-2802 for more information.

SOUND-OFFS

(RCDC member's FYI's, thoughts, views, etc.)

DISCRIMINATION

Condensed from the latest issue of *OUT*; *Antistaight discrimination*. *Audrey McGillivray, owner of the troubled Late Show Night Club in Florida, decided to turn her establishment into a gay men's bar, fired four heterosexual women employees. Former employee Carolyn O'Neil contends she was fired for her sexual orientation and her gender. The women have filed a claim of sexual discrimination, though they may not have a bar to sue - Gay men and lesbians in the city are reportedly boycotting the Late Show Night Club.*

DISCRIMINATION

Bias, intolerance, right here in the city of roses. Not from the OCA, rather from the "scene community" against other people into the scene. What?

Certain people/groups in the scene discriminating against the "scene community" based on sexual orientations, single/couple status, Internet caste, gender, because they don't play "right", etc. These same people scream that they have been discrimination against by society, and in the same breath are intolerant of the general "scene community" based on their own personal "values" (sounds like the OCA motto to me). Perhaps you know of some local alternative folks that discriminate based on a their "values system". You are NOT welcome by these groups unless they think you "fit" to the "standard" (sounds like the OCA stuff again).

Rose City Discussion Club is proud to have always welcomed all singles and couples of the scene community or any orientation that is safe, sane, and consensual.

Note: RCDC members may submit items for publication in the RCDC Newsletter and your identity can remain confidential.

"IMPLEMENT OF PLEASURE"

It is amazing how a cone shaped latex implement can evoke such internal pleasures to my "vaginal" behind. From the moment you impale my lips, there is the sheer anticipation of the widest part filling me. With the implant complete there is bliss with the narrow base hugging snug between my cheeks. I need to feel you there in my secret place, it is as though part of you is there, your woman clit swelled, exercising your command.

I fully submit and look forward to the intrusion. It signals the start of my session and its release, the end. Like an invisible leash, it holds me true to your bidding. It does not invade my bowels, rather it is devoured and pulled within my core, sweetly stretching and inching inside, as I give myself so very completely.

It is your secret control in public, and a subtle reminder when alone. The fullness enhances the mood and prepares me for other play that you desire. With animal passion you mount me deeply with your leather harnessed implement of pleasure, the final extension of your domination. Awakened in the middle of the night, remembrance of the past evening is shared by the throbbing latex inside my bottom and the smarting red heat on my cheeks. I am truly content.

Morning, it is sadly given up, sometimes almost falling out my gaping hole, or held tight not wanting to leave. As it slips by my spinster, the plug eases slowly out, steaming hot and alive to the touch.

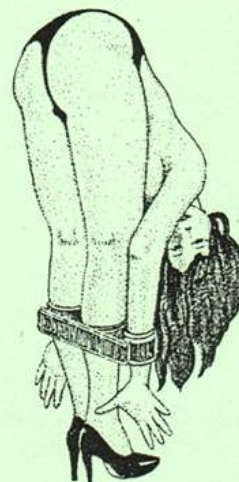

Empty, I ache again for the pressure, and yearn to serve again...

REPRESENTATION:
